Abdominal carcinoma, hopeless, recognition of,....338
—— cavity, wound into, from cervix....426
—— operations on pelvic organs, series of....*153, *257, *365, *461
—— —— for uterine cancer, bacteriology of....436
—— section. See Laparotomy.
—— surgery, leucocytosis for diagnosis in....549
—— wall, fat of, removal of....551
Abhandlungen aus dem Gebiete der Geburtshilfe und Gynækologie (Ed. by W. Tauffer)....†363
Abortion, early, histological changes in, decidual....*103
—— induction of, forensic aspect of....559
Abortions, repeated....*103
Abscess, subphrenic, in pregnancy....547
Absinthe drinking, death of fœtus from....561
Acid, lactic, in eclampsia....560
Actinomycosis of appendages, uterine....341
Adenocarcinoma of cervix uteri....240, 241
Adenomyoma of ligament, round....125
Adnexa. See Appendages.
Adrenalin in vomiting of pregnancy....343
Aged, hæmatometra in....240, 241
Anæsthesia by scopolamin and morphia, before general....549
Anæsthetics, choice of, and preparation for....550
Analgesia, local and spinal, in cardiac disease....252
Appendages, uterine, actinomycosis of....341
—— —— cystic tumours of, fluids in....128
—— —— diseases of, removal of uterus in....458
—— —— removal of....77
—— —— —— for tuberculosis....137
—— —— —— vaginal, with hysterectomy, for carcinoma....557
Appendicitis in labour....136
—— in pregnancy....136, 356
—— in puerperium....136
Appendix vermiformis, carcinoma of, secondary....37
Atlas of Microscopical Diagnosis in Gynæcology. (Rudolf Jolly)...†572
Autosection of abdomen, in labour....443

B

Bacillus, lactic acid, in puerperal infection....138
Bacterial vaccines, treatment of sepsis by....70
Bacteriology investigations in uterine cancer....436
Bedsores, gangrene in....335
Bier's glasses in mammary infections....141

Birth, injuries to infant during....567
Bismuth gauze packing in Gynæcology....121
Bladder, hæmorrhage from, with retroflexion of uterus, gravid....337
Blood, chlorides in, during pregnancy....561
—— coagulation of, in menstruation....434
—— cultures in puerperal infection....346
—— menstrual changes in....433
—— in urine, and pregnancy....561
Bossi's dilator for induction of labour....138
Brain, tumour of, pseudo, in pregnancy....136
Breast, cystic disease of....142
—— infection of, Bier's glasses in....141
Breast-pump, Rohan's invention....141
Brow presentations, treatment of....141
"Byrth of Mankynde, Jonas' and Raynalde's....*329

C

Cæsarean Section, catgut in, condemned....66
—— —— cicatrices of....141
—— —— for contracted pelvis....565
—— —— for contracted pelvis, absolute....251
—— —— drainage in....66
—— —— evisceration after....564
—— —— extraperitoneal....66, 443
—— —— —— flank incision for....345
—— —— for hydatid cyst....349
—— —— for ovarian tumour....*88
—— —— in placenta prævia....72, 569
—— —— for recto-vaginal cicatrix....345
—— —— rupture of uterus, spontaneous, after....250
—— —— self-inflicted....443
—— —— suprapubic....65
—— —— vaginal, for eclampsia and carcinoma....134
Calcified fibromyoma of uterus....336, 360
Calcium and Eclampsia....133
Caloric requirements in infancy....566
Cancer. See Carcinoma.
Carcinoma, abdominal, hopeless, recognition of....338
—— Cæsarean section for, vaginal....134
—— of cervix uteri....234
—— —— —— prolapsed....568
—— —— —— ureter in....*314
—— —— —— Wertheim's operation for....145
—— of Fallopian Tube....*1, 30 35
—— —— —— ovary and appendix....37
—— —— —— primary and secondary....57
—— of labium, secondary....234
—— metastasis of, to laparotomy cicatrix....556
—— —— pelvic....338
—— of ovary, secondary....*24
—— spread of, by Fallopian Tube....*24
—— of stomach....*24
—— of uterus, bacteriology in....436

Carcinoma of uterus with fibromyoma and necrosis.....144
—— —— hysterectomy for 108
—— —— —— vaginal 557
—— —— palliative measures in, deaths after.....55
—— —— and pregnancy 127
—— —— removal of 78
—— —— statistics of 556
—— —— treatment of, results of.....55
—— —— and vagina, radium in.....338
—— of vestibule, treatment of, electric.....236
—— of vulva and kraurosis and leucoplakic vulvitis.....237
—— —— secondary, by contact.....568
Cardiac disease with prolapsus uteri.....252
Cervix uteri, adenocarcinoma of.....240, 241
—— —— carcinoma of 234
—— —— —— prolapsed 568
—— —— —— ureter in *314
—— —— —— Wertheim's operation for.....145
—— —— conical, effects of 121
—— —— dilatation of, laminaria tents for.....122
—— —— lacerations of, cause of.....62
—— —— stump of, after hysterectomy, sub-total.....555
—— —— tuberculosis of 239
—— —— wound of, into abdominal cavity.....426
Child-bed. See Puerperium.
Children, care of, in schools.....141
—— vulvovaginitis of, vaccine in.....552
Chlorides in blood during pregnancy.....561
Chloroform, death from, delayed.....550
Chorionepithelioma, malignant 127
Chorionic elements and acute yellow atrophy of liver.....134
Cicatrices of Cæsarean Section.....141
Cicatrix of laparotomy, carcinoma metastasis to.....556
—— —— osteoma in 126
Climacteric hæmorrhages 243
Climacterium, clinical aspect of.....122
Coccygodynia, massage for.....432
Cœliotomy, gynæcological, preparation and after-treatment of.....142
Collargol injection, thrombus after.....433
—— in puerperal affections 566
Colpoporrhexis 138
Contracted pelvis, Cæsarean Section for.....251, 565
—— —— delivery in 350
Contraction of pelvis, absolute, from fracture, Cæsarean section in...251
—— —— treatment of labour in.....445
Corpus luteum, extract of, in menopause.....243
Cross-births, neglected, treatment of.....346
Current, high frequency, for carcinoma of vestibule.....236
Cyst formation and parovarium, relations of.....437
—— hydatid and puerperium.....349
—— of ovary, hæmatic, ruptured.....246, 253
—— —— —— —— hæmatocele from 55
—— —— with pregnancy 66, 360
Cystic tumour of ovary, third.....437

Cystoma of ovary, colossal....340
Cysts of uterus, intramural....*208

D

Death from chloroform, delayed....550
—— of fœtus from absinthe drinking....561
—— —— from coal-gas poisoning....248
—— from ruptured pedicle....127
Deaths, after palliative measures for carcinoma uteri....55
Decapsulation, renal, in eclampsia....248, 443
Decidua, changes in, with abortion....*103
Decubitus, gangrene in....335
Deformities, fœtal....354
—— of shoulder, caused by delivery....344
Degeneration, red, of fibroids....*534
Delivery hindered by lymphangioma, fœtal....72
—— modern methods of, in contracted pelvis....350
—— post mortem, spontaneous....63
Depopulation in France....131
Diabetes and pregnancy....441
Dilatation for induction of premature labour....138
Displacement of kidney and pregnancy....343
Displacements of ovary....128
—— uterine, abdominal operations for....*461
—— —— vaginal fixation for....359
Doctor's Diary and Emergency Note-Book for 1910. (Scott and Bowne)....*150
Drainage, vaginal, after hysterectomy....436
Duct, Gartner's, tumour developed from....76
Dysmenorrhœa, membranous, and extra-uterine pregnancy....434
—— treatment of, surgical....121
—— and tuberculosis....434
Dystocia from lymphangioma, fœtal....72

E

Ear, noise in, in pregnancy....440
Early rising after labour....442
Eclampsia....133, 247
—— Cæsarean section for, vaginal....134
—— and calcium....133
—— lactic acid in....560
—— post-partum....41
—— of pregnancy....61
—— —— and chlorurræmia....561
—— —— and paresis in cows....560
—— renal decapsulation in....248, 443
—— treatment of, obstetric....133
Electricity, high frequency current, for carcinoma of vestibule....236
Elephantiasis of vulva, syphilitic....146
Embolism, prophylaxis of, in operations....236
Endometritis....121
—— diagnosis of, by plasma cells....553
Endometrium, menstrual changes in....242
Exudations, parametritic, salt solution injections for....243

F

Fallopian tube, cancer of.....*1, 30, 35
—— —— —— also ovary and appendix.....37
—— —— —— primary and secondary.....57
—— —— catheterisation of, in living subject.....130
—— —— ligature of, in rabbit.....*230
—— —— operations on, series of.....*153
—— —— papilloma of, malignant.....38
—— —— pus in.....56
—— —— ruptured, peritonitis from.....558
—— —— spread of carcinoma by.....*24
—— —— stump of, pregnancy in.....439
—— tubes in menstruation.....340
—— —— pus in, removal of, during pregnancy.....78
Fat of abdominal wall, removal of.....551
Feeding, infantile.....566
—— —— artificial.....140
—— —— results of.....567
Fever, puerperal.....67
—— —— irrigation of uterus in.....565
—— —— prognosis of.....69
—— —— and retained placenta.....139
—— —— treatment of, operative.....70
Fibroids, intraperitoneal, in labour, myomectomy for.....346
Fibroma of vagina.....238,239
Fibromyoma, degeneration, red, of.....354, *534
—— and pregnancy.....135
—— of uterus.....246, 360
—— —— calcified.....336, 360
—— —— and goitre.....556
—— —— with hæmatocele.....350
—— —— hysterectomy for.....74, *365
—— —— with necrosis and carcinoma.....144
—— —— pregnancy with, interstitial.....60
—— —— radium for.....121
—— —— red degeneration of.....354
—— —— retention of placenta by.....349
—— —— ruptured.....355, 423
—— —— submucous, necrotic.....355
—— —— suppuration of.....556
Fibrosis of uterus, hæmorrhage in.....242
—— —— hysterectomy for.....*365
Fistula, uretero-vesico-vaginal.....354
—— —— vaginal, healing of, spontaneous.....337
Fixation, vaginal, for uterine displacements.....359
Fœtus, death of, from absinthe drinking.....561
—— —— from coal-gas poisoning.....248
—— deformities of.....354
—— extraction of, Müller's method of.....65
—— lymphangioma of neck and thorax in.....72
—— pneumonia in, ante-natal.....429
Forceps, fracture of maxilla by.....345
—— high, value of.....64

Fracture of inferior maxilla by forceps....345
France, depopulation in....131
"Free-martin," Hunter's 440
Fulguration, effects of 557

G

Gangrene in decubitus 335
Gartner's duct, tumour developed from....76
Gas, coal, poisoning from, in pregnancy....248
Genital organs, disease of, hymen modification by....552
—— —— relation of nasal mucous membrane with....336
Goitre and fibromyoma of uterus....556
Grafting, ovarian 339
Grafts of ovary, histology of....244

Hymen, modification of, by genital disease....552
Hyperemesis gravidarum. See also Vomiting....61
Hysterectomy, for adenocarcinoma of cervix....240
—— for carcinoma 108

Hysterectomy, complete and incomplete 436
—— drainage by vagina after....436
—— for fibromyoma, after labour....74
—— for monster pregnancy....349
—— and myomectomy, contrasted *379
—— for necrotic fibroid....355
—— for placenta prævia....78
—— for pyometra 241
—— for retention of placenta by fibroid....349
—— series of *153
—— subtotal, cervical stump after....555
—— supracervical, for ectopic pregnancy....79
—— supravaginal, menstruation after....*370
—— symptoms after 436
—— for tuberculosis 137
—— vaginal, for carcinoma, with removal of appendages....557
—— —— for cervical carcinoma 234
—— —— indications for 54
—— —— for prolapse 553
—— for uterine fibroids....*365
Hysteropexy, results of *461

I

Incontinence of urine after labour....348
India, menstruation in....*414
Induction of abortion, forensic aspect of....559
—— of labour, long sea-tangle tents for....79
—— —— premature, by dilatation....138
—— —— —— for pyelonephritis 560
Infancy, caloric requirements in....566
Infant feeding 566
—— injuries to, during birth....567
—— ovarian hernia in, strangulated....55
Infants, feeding of, artificial....140
—— puny, at Paris Maternity....140
Infection, puerperal, blood cultures in....346
—— —— treatment of 70
Injection of collargol, thrombus after....433
—— of quinine for prolapse of uterus....252
Injections of salt solution in perimetritis....243
Injuries to infant, during birth....567
Insanity, post-operative 120
Intercourse, sexual, vomiting of pregnancy caused by....61

Intoxication, villous, in early pregnancy....341
Involution, influence of blood-tight uterus on....71
Irrigation of peritoneum after laparotomy....554
—— of uterus, in puerperal fever....565

J

Jaundice and pregnancy 134
Jonas' and Raynalde's "Byrth of Mankynde"....*329

K

Kidneys, decapsulation of, in eclampsia....248, 443
Kidney, hæmatoma round....554
—— inflammation of, in pregnancy, purulent....441, 560
—— —— —— treatment of 344
—— operations on, pregnancy after....343
—— pelvis of, lavage of....344
—— purulent inflammation of, in pregnancy....441, 560
—— wandering, in pregnancy....343
Kraurosis vulvæ and vulvitis and carcinoma....237

L

Labium, carcinoma of, secondary....234
Labour, appendicitis in....136
—— in contracted pelvis....445
—— early rising after 442
—— hysterectomy after, for fibroid....74
—— induction of, long seatangle tents for....79
—— —— premature, by dilatation 138
—— obstruction of, by fibroids, myomectomy for....346
—— ovarian tumour in....*88
—— painless, scopolamin-morphia for....146
—— premature, induction of 352
—— —— —— conditions for 63
—— —— —— in eclampsia 61
—— —— —— for hæmorrhage 61
—— —— —— methods for 63
—— —— —— for pyelonephritis 560
—— pyrexia in, significance of....62
—— rupture of hæmatoma during....344
—— —— symphysis pubis in....248
—— —— uterus in 249
—— shaving of vulva in....564
—— sequelæ of 138
—— urine incontinence after....348
—— vaginal laceration in....138
Laceration of cervix uteri, cause of....62
—— of perineum, birth through....345
—— of vagina in labour....138
Lactic acid bacillus in puerperal infection....138
—— —— in eclampsia 560
Lactose in urine in pregnancy....347
Laminaria tents for dilatation of cervix....122
Laparotomy cicatrix, carcinoma metastasis in....556
—— —— osteoma in 126
—— for cystic tumour of broad ligament....76
—— early rising after....126
—— for ectopic pregnancy....59, 439
—— for interstitial pregnancy in fibroid uterus....60
—— irrigation of peritoneum after....554
—— for ovarian pregnancy....245
—— preparation and after-treatment of....142
—— during puerperium, for ovarian tumour....*96

Laparotomy for ruptured tubal pregnancy 60
—— series of cases of..... *153
Lehrbuch der Geburtshilfe. (Max Runge).....†362
Leucocytosis as diagnostic in abdominal surgery.....549
Ligament, broad, cystic tumour of.....76
—— —— hæmatoma of 344
—— —— quinine injection into, for prolapse.....111, 252
—— round, adenomyoma of.....125
Ligaments, uterine, round, shortening of, after laparotomy.....54
Ligature of Fallopian tube, in rabbit.....*230
Lille, theses of.....567
Lipectomy 551
Lipoids, hæmolytic, and red degeneration of fibroids.....*534
Lithopædion, removal of 247
Liver, acute yellow atrophy of, and chorionic elements.....134
Lymphangioma, fœtal, hindering delivery.....72

M

Malignant papilloma of Fallopian tube.....38
Mamma. See Breast.
Massage for coccygodynia.....432
Maxilla, inferior, fracture of, by forceps.....345
Membranes, rupture of, artificial, causing laceration.....62
Meningeal hæmorrhage, in infant.....567
Meningitis, cerebro-spinal, in suckling.....141
Meningocele presentation 63
Menopause, apparent, after supravaginal hysterectomy.....*371
—— artificial, characteristics of *271
—— corpus luteum extract in.....243
Menstruation, blood changes in.....433
—— —— coagulation in 434
—— endometrium changes in.....242
—— after hysterectomy, supravaginal *370
—— in India *414
—— and ovulation 131
—— result of ovariotomy on.....*265
—— tubal 340
Mesentery, tumour of.....79
Metastasis of carcinoma to laparotomy cicatrix.....556
—— —— pelvic 338
Milk, toxic 141
Mole, hydatid, prognosis of.....561
Momburg's treatment in pelvic resection.....126
—— —— of post partum hæmorrhage.....125
—— tube, in post partum hæmorrhage.....63
Monster, bi-cephalic 349
—— double derodyme tribach.....72
Montreal Maternity Hospital, Report for 1908.....†362
Morphia and scopolamin anæsthesia, before general.....549
Müller's method of fœtal extraction.....65
Myoma of rectum.....433
—— See also Fibromyoma.
Myomectomy 60

Myomectomy, abdominal, results of *376
—— and hysterectomy, contrasted *379
—— and ovariotomy in pregnancy.....62
—— in pregnancy 569
—— vaginal, during labour.....346
Myotomy, transverse incision in.....127
Myxoma, malignant 11

N

Nancy, thesis of 73
Necrosis of uterine tumour with carcinoma.....144
Nephrectomy, pregnancy after 343
New-born, ophthalmia of, prevention of.....*520
Nose, mucous membrane of, and genital apparatus.....336

O

Obituary, Taylor, John W.....333
Obstruction, intestinal, in pregnancy.....355
Oil in abdominal operations.....335
Operation, perineal, for prolapsus uteri.....360
—— Pestalozzi's, for retroflexion 554
—— psychosis after 120
—— Schauta's, for uterine prolapse.....338
